

BAND	In Year 7 Geography Criteria
	<p>I know...</p> <ul style="list-style-type: none"> • A variety of places and their features in the UK and the world. • How some patterns may vary depending on scale (local, national and global). • How some topical issues occur in a variety of places. <p>I understand and can describe and start to explain...</p> <ul style="list-style-type: none"> • Various human and physical processes which create and change the world around us. • Why some places are linked and the impact that this has on people and environments. • My own views and different viewpoints about geographical issues. • How connections can be made between geographical ideas and places, e.g. sustainability issues. <p>I can...</p> <ul style="list-style-type: none"> • Apply fieldwork and research techniques to investigate geographical issues. • Choose relevant data to investigate geographical questions. • Use suitable techniques to present and describe my data. • Select relevant evidence from sources. • Make valid and supported conclusions. • Communicate clearly with excellent SPAG and use key geographical terms frequently and appropriately.
	<p>I know...</p> <ul style="list-style-type: none"> • Some places and their features in the UK and the world. • Some geographical patterns and why they exist. • How some topical issues occur in a variety of places. <p>I understand and can describe in detail...</p> <ul style="list-style-type: none"> • Some human and physical processes which create and change the world around us. • How some places are linked and the impact that this might have. • My own views and some different viewpoints about geographical issues. • How connections can be made between geographical ideas and places, e.g. sustainability issues. <p>I can, with some help...</p> <ul style="list-style-type: none"> • Carry out fieldwork and research techniques to investigate geographical issues. • Choose some data to investigate geographical questions. • Present and describe my data. • Select and use evidence from sources. • Make valid conclusions. • Communicate clearly with excellent SPAG and use suitable key geographical terms.

I know...

- Some places and their features in the UK and the world.
- Some geographical patterns and suggest why they exist.
- How some topical issues occur in a variety of places.

I understand and can start to describe...

- A range of processes which create and change the world around us.
- How some places are linked.
- My own views and may recognise that other people may not have the same view as me.

I can, with help...

- Carry out fieldwork and research techniques to investigate geographical issues.
- Choose some data to investigate geographical questions.
- Present and describe my data.
- Use some evidence from sources.
- Make a conclusion.
- Communicate clearly with good SPAG and use some key geographical terms.

I know...

- About some places and features in the world.
- Some geographical patterns and can state them.
- How some issues occur in a variety of places.

I understand and can start to describe ...

- Some processes which create and change the world around us.
- Similarities and differences between places.
- My own views and may recognise that other people may not have the same view as me.

I can, with help...

- Carry out fieldwork and research techniques to investigate geographical issues.
- Collect and record some data to investigate geographical questions.
- Present and start to describe my data.
- Occasionally use a piece of evidence.
- Attempt a simple conclusion.
- Communicate my ideas. SPAG shows some mistakes.

I know...

- About some places in the world.
- Some geographical patterns.

I understand and can state...

- Some processes which create and change the world around us.
- My own views.

I can, with significant help...

- Carry out fieldwork to investigate geographical issues.
- Collect some data to investigate geographical questions.
- Present my data.
- Communicate my ideas. SPAG requires improvement.
