

Bee Kind and Wrap it

Year 10 Young Enterprise, Tenner Challenge Winners 2020

Last year Burford School once again entered the Tenner Challenge, run by Young Enterprise.

Students were given £10 each and four weeks to set up a business and make as much profit as they could and 21,750 students took part in the competition nationally. Around twenty students dedicated their time to starting up a small business and attended an after school business coaching sessions every Friday.

We are delighted to announce that one of the teams – ‘Bee Kind and Wrap It’ are the National 2020 Winners for the age 15+ category in the category of Best Team.

‘Bee Kind and Wrap it’ created high quality plastic wraps for food storage made from beeswax. Their product is a natural alternative to and cloth, and comes in a wide range of designs. The judges said that they were impressed by the adaptability the team displayed as well their green approach to business and their hard work and entrepreneurial skills.

One team member, Campbell, also won the Inspiring Individual Award for the 15+ age group. The judges said that they were impressed by Campbell’s dedication and the different skills he was able to apply during the Tenner Challenge!

Congratulations to team members Campbell McDiarmid, Daisy Granville, Habiba Goymer, Hannah Rhodes and Neve Keating.
