Dear Parent/Guardian/Carer

Re: Burford School – Boarding Fees 2022/23

I am writing with regard to boarding fees for all students from September 2022.

Our boarding fees have remained at the same rate of £10,395 for the last three years. However, as we seek to continue making improvements to our boarding accommodation and facilities, together with rising external cost pressures, we will need to increase our boarding fees from the 1 September 2022.

As part of this exercise, we have also benchmarked our boarding fees against other state boarding providers and identified that our boarding fees are currently in the lower quartile of fees charged by other providers across the UK, with the current average fees charged being £12,700 per annum.

From the **1 September 2022** and the commencement of the 2022/23 academic year our boarding fees will increase from £10,395 per annum to **£11,250 per annum**, per student.

Payment arrangements will remain the same with termly fees of £3,750 due at the start of each term, together with discounted fees for payment in full for the whole year's fees prior to the start of the year (£10,950). Similarly, late payment charges are charged whereby termly fees are not paid in full within two weeks at the start of each term.

Whilst we seek to keep our boarding fees affordable and competitive within the Boarding market, rising external cost pressures that we have no control over, require that Boarding fees are reviewed on annual basis moving forward.

Our boarding provision is and remains an essential part of the fabric of our school and contributes to the excellent outcomes enjoyed by our students.

Yours sincerely

A Staniforth
